Elin's Soapbox

by Elin Winkler

Happy New Year! I swear, it seems like it was only June a couple of days ago, and here we are in a new year already. Either time is going faster or we are just so busy it seems like it is! All of us here at Radio hope that all of you readers, supporters, artists, retailers and distributors have a good 2005, a new year filled with success and good fortune. Thanks to all of you for supporting us through the crazy ups and downs of 2004- we hope you enjoyed the ride!

We're already working hard on new stuff for 2005- of course, since it's January, that means a new issue of the perennial fan-fave, Genus: Male! We're already up to issue #4 and this issue looks to be a doozy, with work by Miu, SatyQ, Patrick Little, John Barrett and of course, Daria McGrain! We had no idea that the book would be so popular when we started it back in 2002-but the fans have spoken and welcomed the book wholeheartedly. This makes me extremely happy, since publishing comics is a little like gambling- you take a risk, spend some money, and hope it pays off. In the case of comics, the payoff isn't really vast riches or anything so material- it's somewhat intangible. The knowledge that people are enjoying the books you do is sometimes the only real reward a comic publisher gets- but it's reward enough for us. Genus: Male #4 hits the stands this month, just in time for Further Confusion!

And speaking of Further Confusion, it is the first Radio con of the year! Located in sunny San Jose, California, Further Confusion is the only major "furry" convention Radio shows at- and small wonder, since it is a huge event! Five whole days of programming, costuming, and fun, three of which feature a huge dealers' room and artists' alley, not to mention the art show! Vast numbers of Radio creators will be there, including TRUMP (Poundcake, Luck of the Draw), Yamaneko-ya (Genus, Furrlough), Christina "Smudge" Hanson (Liberty From Hell, Dangerous), Baron Engel (Furrlough, Bureau of Mana Investigation), Michael Vega (Monsters of Rock), Heather Bruton (Furrlough, Anubis: Dark Desire), Diana Harlan-Stein (Anubis: Dark Desire, Furrlough), Terrie Smith (Havoc, Inc., Genus: Male), Max Blackrabbit (Genus: Male, Genus), Sara Palmer (Furrlough, Anubis: Dark Desire), Phil Morrissey (Furrlough, Hit the Beach), Ursula Husted (Furrlough, Hit the Beach), Dark Natasha (Genus, Anubis: Dark Desire), Roz Gibson (Furrlough, Hit the Beach), Megan Giles (Furrlough, Genus) and Joe Rosales (Wildlifers, Furrlough) just to name a few-there will be even more wandering the con hallways and artists' alley than I can possibly list here! And of course, they will be joined by Radio staff members Matt High, Mike Suarez and myself. We hope to see many of you there! You can find out more about Further Confusion at their website located at http:// www.furtherconfusion.org!

Again, thanks to all you loyal readers and fans for helping us make it through another tumultuous year. Your support truly does give us hope to continue doing this crazy thing we do, and we hope we will be able to continue it for many years to come! Now, everyone go eat some blackeyed peas for luck and some noodles for long life and good fortune, and have a great new year!

FOR THE PUBLISHED OF THE PROPERTY OF THE PROPE

- 1). Radio Comix only accepts proposals from complete creative teams. We do not assign writers to artists, or viceversa. All stories accepted by Radio Comix are fully creator-owned. We DO NOT publish any color comics, so we have no need of coloring submissions.
- 2.) Radio Comix publishes anthropomorphic, independent, and adults-only projects in all genres. However, we are not interested in publishing superhero stories at this time. Please do not submit any superhero projects for review, they will be rejected.
- 3.) We prefer creators to submit stories for our anthologies before publishing stand-alone series. This allows us to establish a working relationship with creators, and creators to build a following among our readers, before the risk associated with publishing a solo series. All covers for the anthologies are assigned; we do not need cover submissions.

We accept multiple-part stories for anthologies. Page length for each part is listed in anthology descriptions. The fewer parts, the better. If proposing a multiple-part story, the first part must be complete. Include a text synopsis of each remaining part. Synopsis must be clear, concise, and complete.

Our anthologies are as follows:

Furrlough: Anthology focusing on anthropomorphic stories. All genres (adventure, comedy, etc.) are allowed. Rating is PG-13. Stories should be 1-14 pages in length. Stand-alone illustrations are strongly discouraged.

Genus (Adults-only): Anthology focusing on anthropomorphic erotica. All genres allowed. Rating is R to XXX. Stories should be between 1-14 pages in length. Stand-alone illustrations are allowed, but comic stories are preferred. No depictions of rape, pedophilia, or sexual violence allowed. No depictions of humans in a sexual context with anthropomorphs allowed.

Milk (Adults-only): Anthology focusing on heterosexual and lesbian erotica. All genres allowed. Rating is R to XXX. Stories should be between 1-14 pages in length. Stand alone illustrations are allowed, but comic stories are preferred. No depictions of rape, pedophilia, or sexual violence allowed.

Dangerous (Adults-only): Anthology focusing on homosexual male erotica. All genres allowed. Rating is R to XXX. Stories should be between 1- 14 pages in length. Stand alone illustrations are allowed, but comic stories are preferred. No depictions of rape, pedophilia, or sexual violence allowed.

Submissions for limited series consideration should include completed art for the first issue, character designs and descriptions for all characters, and a synopsis of each subsequent issue. We prefer limited series to be a minimum of four issues, and no more than eight issues. We like a definite ending to a story. All proposed limited series issues should be a minimum of 22 pages and no more than 26 pages per installment. We are not interested in publishing any one-shot comics at this time. We are interested in publishing both all-ages and adults-only limited series.

- 4.) All submissions should be 6.875" x 10.5" in size. The live area for each page is 6.125" x 9.75". All submissions for anthologies must be complete. If submitting digital files, files must be at least 400 dpi TIF format with LZW compression. Please include a hard-copy printout of digital files. All pages must have your contact info on them. Do NOT send your original art; xeroxes or printouts only. NO submissions will be returned.
- 5.) Due to the volume of e-mail we recieve, we DO NOT accept ANY submissions via e-mail. They only get lost, so it's a waste of your time. ANY E-MAIL SUBMISSIONS WILL BE DELETED UNREAD.

6.)Please send all submissions to:

Radio Comix: Submissions PMB 117 11765 West Ave. San Antonio, TX 78216

7.) We will notify you and discuss compensation upon acceptance of your submission for publication. Please do not contact us regarding your submission; it may take many months for us to respond due to the overwhelming amount of submissions we recieve. You will get an answer, just be prepared for a long wait.

Thank you and good luck!
